

M.V. WYNDHAM

The Wyndham came into full service in 2009 following a full and extensive restoration and refurbishment and with her re-launch in 2015, is a terrific addition to the portfolio of boats we have available.

Licensed for 120, she is ideal for a variety of functions. She offers the same level of comfort and service that our clients expect from our boats. She has an in built sound and lighting system and a large Plasma screen.

Formal dining is available for up to 47-60 (depending on layout), whilst informal functions can be catered for more, all prepared in her fully serviced galley. For better weather, her large open top deck can comfortably take 90 guests and is the perfect space for summer cocktail parties, BBQ's, Hog Roast's and other promotional events – we've even had crazy golf, deck games and a car on the top deck!!
